Item 1.01. Entry into a Material Definitive Agreement.

On October 23, 2017, Universal Stainless & Alloy Products, Inc. (the “Company”) entered into a Second Amendment to Revolving Credit, Term Loan and Security Agreement (the “Second Amendment”), by and among the Company, the other Borrowers (as defined in the Second Amendment) party thereto, the Lenders (as defined in the Second Amendment) and PNC Bank, National Association, as Administrative Agent. The Second Amendment amended the Company’s Revolving Credit, Term Loan and Security Agreement, dated as of January 21, 2016 (as amended, the “Agreement”).

Pursuant to the Second Amendment, the applicable margins based on the Company’s leverage ratio then in effect, which are added to the interest rates elected by the Company to apply to outstanding borrowings under the Credit Agreement, have been reduced. In addition, under the Second Amendment, certain amounts spent by the Company for capital expenditures related to a new stand-alone steel bar finishing line to be installed at the Company’s facility in Dunkirk, New York, will offset the amount of a \$6.5 million availability block that otherwise could reduce overall borrowing availability under the revolving credit facility provided for under the Agreement.

The foregoing is a description of the material terms and conditions of the Second Amendment and is not a complete discussion of the Second Amendment. Accordingly, the foregoing is qualified in its entirety by reference to the full text of the Second Amendment, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

On October 23, 2017, the Company issued a press release announcing its entrance into the Second Amendment. The full text of the press release is filed as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference.

10. Section 7.1(b) of the Credit Agreement is hereby amended by deleting clause (i) set forth therein in its entirety and in its stead inserting the following:

(i) (a) the sale of Inventory in the Ordinary Course of Business, (b) the disposition or transfer of components of the existing bar finishing equipment and related assets being replaced by assets purchased in connection with the Dunkirk Project and (c) the disposition or transfer of obsolete and worn-out equipment and equipment no longer used or useful in the reasonable judgment of the Loan Parties and in the Ordinary Course of Business during any fiscal year having an aggregate fair market value of not more than One Million and 00/100 Dollars (\$1,000,000.00) and only to the extent that (x) the proceeds of any such disposition are used within 180 days of the receipt thereof to acquire replacement equipment which is subject to Administrative Agent's first priority security interest or (y) the proceeds of which are remitted to Administrative Agent to be applied pursuant to Section 2.20,

13. Each Loan Party acknowledges and agrees that each and every document, instrument or agreement, which secured the Obligations immediately prior to the entering into of this Second Amendment, continues to secure the Obligations.

14. Each Loan Party represents and warrants to each Agent and each of the Lenders as follows: (i) such Loan Party has the full power to enter into, execute, deliver and carry out this Second Amendment and all such actions have been duly authorized by all necessary proceedings on its part, (ii) neither the execution and delivery of this Second Amendment by such Loan Party nor the consummation of the transactions herein contemplated or compliance with the terms and provisions hereof by any of them will conflict with, constitute a default under or result in any breach of (a) such Loan Party's Organizational Documents or (b) any Law or any Material Contract or instrument or order, writ, judgment, injunction or decree to which such Loan Party is a party or by which it is bound or to which it is subject, or result in the creation or enforcement of any Lien, charge or encumbrance whatsoever upon any property (now or hereafter acquired) of such Loan Party, and (iii) this Second Amendment has been duly and validly executed and delivered by such Loan Party and constitutes the legal, valid and binding obligation of such Loan Party, enforceable against such Loan Party in accordance with its terms, except to the extent that enforceability of this Second Amendment may be limited by any applicable bankruptcy, insolvency, moratorium or similar laws affecting creditors' rights generally.

15. Each Loan Party represents and warrants that (i) no Default or Event of Default exists under the Credit Agreement, nor will any occur as a result of the execution and delivery of this Second Amendment or the performance or observance of any provision hereof or any transaction completed hereby, and (ii) the schedules attached to and made a part of the Credit Agreement, are true and correct in all material respects as of the date hereof, except as such schedules may have heretofore been amended or modified in writing in accordance with the Credit Agreement or pursuant to this Second Amendment.

16. Each reference to the Credit Agreement that is made in the Credit Agreement or any other document executed or to be executed in connection therewith shall hereafter be construed as a reference to the Credit Agreement as amended hereby.

17. The agreements contained in this Second Amendment are limited to the specific agreements made herein. Except as expressly set forth herein, this Second Amendment shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of the Agents or the Lenders under the Credit Agreement or any Other Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any Other Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle any Loan Party to a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any Other Document in similar or different circumstances. This Second Amendment shall apply and be effective only with respect to the provisions of the Credit Agreement specifically referred to herein. This Second Amendment amends the Credit Agreement and is not a novation thereof. Nothing expressed or implied in this Second Amendment or any other document contemplated hereby shall be construed as a release or other discharge of any Borrower or any Guarantor under the Credit Agreement or any Other Document from any of its obligations and liabilities thereunder.

18. This Second Amendment may be executed in any number of counterparts and by the different parties hereto on separate counterparts each of which, when so executed, shall be deemed to be an original, but all such counterparts shall constitute but one and the same instrument. Any signature delivered by a party by facsimile or electronic transmission (including email transmission of a PDF image) shall be deemed to be an original signature hereto.

Each of the parties hereto irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction and venue of the courts of the Commonwealth of Pennsylvania sitting in Allegheny County, Pennsylvania and the United States District Court for the Western District of Pennsylvania with respect to any suit arising out of or relating to this Second Amendment.
