FOR IMMEDIATE RELEASE

**UNIVERSAL STAINLESS PROMOTES CHRISTOPHER ZIMMER TO
EXECUTIVE VICE PRESIDENT AND CHIEF COMMERCIAL OFFICER**

BRIDGEVILLE, PA, July 8, 2014 – Universal Stainless & Alloy Products, Inc. (Nasdaq: USAP) announced today that Christopher M. Zimmer has been named Executive Vice President and Chief Commercial Officer of the Company. In this newly established position, Mr. Zimmer will lead all sales and marketing functions as well as have responsibility for new product development and commercialization and all supply chain activities.

Mr. Zimmer, 41, has served as Vice President of Sales and Marketing for Universal since 2008 and brings to his new role a total of 20 years of specialty metals experience with a focus on sales, engineering and management.

Dennis M. Oates, Universal's Chairman, President and CEO, said: "Chris has been instrumental in driving our focus on unparalleled customer service along with the introduction of new, technologically advanced products. I'm looking forward to working closely with Chris as we continue to expand our product portfolio and capitalize on major capital projects completed over the past few years."

Forward-Looking Information Safe Harbor

Except for historical information contained herein, the statements in this release are forward-looking statements that are made pursuant to the "safe harbor" provision of the Private Securities Litigation Reform Act of 1995. Forward-looking statements involve known and unknown risks and uncertainties that may cause the Company's actual results in future periods to differ materially from forecasted results. Those risks include, among others, the concentrated nature of the Company's customer base to date and the Company's dependence on its significant customers; the receipt, pricing and timing of future customer orders; changes in product mix; the limited number of raw material and energy suppliers and significant fluctuations that may occur in raw material and energy prices; risks related to property, plant and equipment, including the Company's reliance on the continuing operation of critical manufacturing equipment; risks associated with labor matters; the Company's ongoing requirement for continued compliance with laws and regulations,

including applicable safety and environmental regulations; the ultimate outcome of the Company's current and future litigation and matters; risks related to acquisitions that the Company may make; and the impact of various economic, credit and market risk uncertainties. Many of these factors are not within the Company's control and involve known and unknown risks and uncertainties that may cause the Company's actual results in future periods to be materially different from any future performance suggested herein. Any unfavorable change in the foregoing or other factors could have a material adverse effect on the Company's business, financial condition and results of operations. Further, the Company operates in an industry sector where securities values may be volatile and may be influenced by economic and other factors beyond the Company's control. Certain of these risks and other risks are described in the Company's filings with the Securities and Exchange Commission (SEC) over the last 12 months, copies of which are available from the SEC or may be obtained upon request from the Company.
