**PROXY STATEMENT
For 2004 Annual Meeting of Stockholders**

BACKGROUND

This Proxy Statement and the accompanying form of proxy are being furnished in connection with the solicitation by the Board of Directors of Universal Stainless & Alloy Products, Inc., a Delaware corporation ("Universal Stainless" or the "Company"), of proxies to be voted at this Annual Meeting of Stockholders. This Proxy Statement and form of proxy are first being sent or given to the stockholders on or about April 14, 2004. The cost of solicitation of proxies will be borne by Universal Stainless, including expenses incurred in connection with the preparation and mailing of the Proxy Statement. The solicitation will be by mail and may also be made personally and by telephone by directors, officers and employees of Universal Stainless, without any compensation, other than their regular compensation as directors, officers or employees. Arrangements will be made with brokerage houses, banks and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of the Common Stock and Universal Stainless will reimburse them for reasonable out-of-pocket expenses incurred by them in connection therewith.

VOTING PROCEDURES

Who May Vote

Universal Stainless Common Stockholders of record at the close of business on March 26, 2004 are entitled to vote at the Annual Meeting. Stockholders have one vote per share on each matter being voted on.

Voting Methods

Stockholders of record may complete, sign, date and return their proxy cards in the postage-paid envelope provided. If you do not mark any selections, your shares will be voted as recommended by the Board of Directors.

If you hold your shares in a broker, bank or other nominee account, you are a "beneficial owner" of Universal Stainless Common Stock. In order to vote your shares, you must give voting instructions to the "nominee holder" of your shares. Universal Stainless asks the nominee holders to obtain voting instructions from the beneficial owners of shares. Proxies that are transmitted by nominee holders on behalf of beneficial owners will be voted as instructed by the nominee holder.

Finally, you may vote in person if you attend the meeting.

We urge you to return the proxy card promptly.

Revoking Your Proxy

You may revoke your proxy at any time before it is voted at the Annual Meeting by:

- Notifying the Secretary of Universal Stainless in writing that you have revoked your proxy;
- Sending a revised proxy dated later than the earlier proxy; or
- Voting in person at the Annual Meeting.

Quorum and Voting Information

A quorum is required to conduct business at the Annual Meeting. As of the record date, 6,299,531 shares of Universal Stainless Common Stock were issued and outstanding. A majority of the outstanding shares, present in person or represented by proxy, constitutes a quorum. If you submit a properly executed proxy card, even if you abstain from voting, you will be considered part of the quorum.

Abstentions are counted in tabulations of the votes cast by stockholders on each proposal (other than with regard to the election of Directors) and will have the effect of a negative vote. Brokers who hold shares in street name for customers have the authority to vote only on certain routine matters in the absence of instruction from the beneficial owners. A broker non-vote occurs when the broker does not have the authority to vote on a particular proposal. Under applicable Delaware law, broker non-votes will not be counted for purposes of determining whether any proposal has been approved.

The affirmative vote of a plurality of the shares of Common Stock represented in person or by proxy at the Annual Meeting is required for the election of Directors. With regard to the election of Directors, votes may be cast in favor or withheld; votes that are withheld and broker non-votes will be excluded entirely from the vote and will have no effect on the outcome of the election of Directors.

Confidential Voting Policy

Universal Stainless maintains a policy of keeping stockholder votes confidential.

PROPOSALS YOU MAY VOTE ON

1. Election of Directors

There are four nominees for election this year. Detailed information on each nominee is provided under the heading "Nominees for Election as Directors." All Directors are elected annually and serve a one-year term until the next Annual Meeting, or until their successors are duly elected and qualified. If any Director is unable to stand for re-election, the Board may reduce its size or designate a substitute. If a substitute is designated, proxies voting on the original candidate will be cast for the substituted candidate.

The Board of Directors unanimously recommends a vote FOR each of the nominee directors.

2. Ratification of the Appointment of Schneider Downs & Co., Inc. as Independent Accountants

The Audit Committee has appointed Schneider Downs & Co., Inc. ("SD") as our independent accountants for 2004. The Board has directed that the selection of the independent accountants be submitted for ratification by the stockholders at the Annual Meeting. SD has served as our independent accountants since September 5, 2003. Prior to September 5, 2003 and since the inception of the Company, the Company engaged PricewaterhouseCoopers LLP ("PwC") as its independent accountants.

Effective on September 5, 2003, the Company engaged SD as its new independent accountants and dismissed PwC. In connection with its audits for the two most recent fiscal years and through September 5, 2003, there were no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of PwC would have caused them to make reference thereto in their reports on the financial statements for such years.

Prior to its appointment as independent accountants, SD had not been consulted by the Company on any of the matters referenced in Regulation S-K Item 304 (a) (2). SD has unrestricted access to the Audit Committee to discuss audit findings and other financial matters.

[Table of Contents](#)

Stockholder ratification of the selection of SD as Universal Stainless' independent accountants is not required by Universal Stainless' By-laws or otherwise. However, the Board of Directors is submitting the selection of SD to the stockholders for ratification as a matter of what it considers to be best practices in corporate governance. If the stockholders fail to ratify the selection, the Audit Committee will retain discretion as to whether or not to retain SD. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interest of Universal Stainless and its stockholders.

Audit services provided by PwC during 2003 included the completion of an audit of the consolidated financial statements for the year ended December 2002, quarterly reviews of the consolidated financial statements for the quarters ended March 31, 2003 and June 30, 2003, audits of certain employee benefit plan financial statements and a review of Universal Stainless' Annual Report and certain other filings with the SEC and certain other governmental agencies. In addition, PwC provided various tax services to Universal Stainless during 2003.

Audit services provided by SD during 2003 included audit procedures performed on the consolidated financial statements for the year ended December 31, 2003 and a quarterly review of the consolidated financial statements including filings with the SEC for the quarter ended September 30, 2003.

Your Board unanimously recommends a vote FOR the ratification of Schneider Downs & Co., Inc.'s appointment as independent auditors for 2004.

The members of the Board of Directors of Universal Stainless who also serve as members of the Audit Committee will receive \$1,000 for each regularly scheduled Audit Committee meeting attended. Eligible Directors are granted options to purchase 10,000 shares per year of Common Stock in 2,500 increments. Stock Options

The following table contains information concerning the grant of stock options for the fiscal year ended December 31, 2003 to the named executive officers:

OPTION GRANTS IN LAST FISCAL YEAR

Individual Grants

Name	Number Of Securities Underlying Options Granted ⁽¹⁾	% of Total Options Granted to Employees in Fiscal Year ⁽²⁾	Exercise or Base Price Per Share ⁽³⁾	Expiration Date	Grant Date Present Value ⁽⁴⁾
Paul A. McGrath	5,000	18.18%	\$ 5.12	1/27/13	\$ 12,850
Richard M. Ubinger	5,000	18.18%	\$ 5.12	1/27/13	\$ 12,850

- (1) Options granted under the Stock Incentive Plan during the fiscal 2003. Options are granted at fair market value at date of grant. Each option has a maximum term of 10 years, subject to earlier termination in the event of the optionee's termination of employment with Company. Options granted to Messrs. McGrath and Ubinger will vest in a series of four (4) equal and successive annual installments with the first installment vesting one year from the grant date.
- (2) Options to purchase a total of 27,500 shares of Common Stock were granted to employees, including executive officers, for the fiscal year ended December 31, 2003.
- (3) The exercise price may be paid in cash, in shares of Common Stock valued at fair market value on the exercise date or in a combination of cash and stock. The Compensation Committee (the "Committee") may permit payment of all or part of applicable withholding taxes due upon exercise of the option by withholding of shares, valued at the fair market value of the Company's Common Stock on the date of exercise, otherwise issuable upon exercise of the option. The Committee may also grant options in exchange for the cancellation of options previously granted and the purchase price of shares subject to such new options, which will be as determined by the Committee, and may be lower than the exercise price of the canceled options.
- (4) Represents grant date valuation computed under the Black-Scholes option pricing model adapted for use in valuing stock options. The actual value, if any, that may be realized will depend on the excess of the stock price over the exercise price on the date the option is exercised, so there can be no assurance that the value realized will be at or near the value estimated using the Black-Scholes model. Grant date values were determined based in part on the following assumptions: risk-free rate of return of 5%, no dividend yield, time of exercise of 5 years, and annualized volatility of 50% (based on historical stock prices of the common stock since December 31, 1996).

The employment agreement of Mr. McAninch prohibits him from (i) competing with Universal Stainless for one year following his termination of employment with Universal Stainless and (ii) disclosing confidential information or trade secrets in any unauthorized manner. Universal Stainless has a keyman life insurance policy in effect, of which Universal Stainless is the sole beneficiary, on the life of Mr. McAninch providing \$2.0 million in coverage. Mr. McAninch may be eligible for an amount equal to 18 months salary determined at the then-current base annual salary rate upon a change of control of Universal Stainless.

On January 1, 1998, each of Paul A. McGrath and Richard M. Ubinger, entered into employment agreements with Universal Stainless for the positions of Director, Employee Relations, General Counsel and Secretary, in the case of Mr. McGrath, and Chief Financial Officer and Treasurer, in the case of Mr. Ubinger. Mr. McGrath's and Mr. Ubinger's employment agreements provide for a base annual salary of \$95,000 and \$113,700, respectively, which may be increased at the discretion of the Board of Directors, the Compensation Committee or the President of Universal Stainless. Mr. McGrath and Mr. Ubinger may be eligible for an amount equal to one year base salary upon a change of control of Universal Stainless.

REPORT ON EXECUTIVE COMPENSATION

Introduction

The Compensation Committee of the Board of Directors (the "Committee") is composed of Messrs. Dunn (Chairman), Keane and Toledano, all of whom are Directors of Universal Stainless. The Committee is responsible for the establishment and oversight of Universal Stainless' executive compensation programs, including compensation and benefits for the President and Chief Executive Officer (Mr. McAninch) and stock options to be granted to officers of Universal Stainless. The following report of the Committee discusses generally Universal Stainless' executive compensation objectives and policies and their relationship to Universal Stainless' performance in 2003. The Compensation Committee held two meetings during 2003.

Executive Compensation Philosophy and Objectives

Universal Stainless' executive compensation programs are designed to attract, retain and motivate highly effective executives and to reward sustained corporate and individual performance with an appropriate base annual salary and incentive compensation. Universal Stainless seeks to increase management ownership of Universal Stainless and to link executive compensation with stockholder value, achievement of business objectives and corporate profitability. Each year, the Committee conducts a review of Universal Stainless' executive compensation programs for appropriateness and competitiveness.

Universal Stainless' compensation philosophy is to compensate its executive officers at market-competitive levels for achieving planned performance. Market comparisons include general industry norms, metals companies, and a select group of capital-intensive companies that are approximately the same size as Universal Stainless. More emphasis is placed on general industry than the steel industry norms. The comparative market group is a representative sample of organizations used in the performance graph below, but is not identical due to limitations on available data.

Compensation Program Components

Consistent with Universal Stainless' executive compensation objectives, Universal Stainless' compensation for its senior management, including Clarence M. McAninch, Universal Stainless' Chief Executive Officer, consists of three components: an annual base salary, an annual incentive award and long-term incentive awards. During the

[Table of Contents](#)

year ended December 31, 2003, and currently, Universal Stainless' compensation of its senior executives consisted of cash bonuses, tied to executive performance, position level and/or continuing employment, and ownership of Universal Stainless' Common Stock. Universal Stainless encourages stock ownership to create in management a true ownership point of view and further to align executive and stockholder interests. Executives have received, or are currently eligible to receive, stock option awards based on their individual performances.

Annual Base Salary. Base salaries for executive officers are determined with reference to a salary range for each position. Salary ranges are determined by evaluating a particular employee's position and comparing it with what are believed to be representative prevailing norms for similar positions in similarly-sized companies. Within this salary range, an executive's initial salary level is determined largely through Committee judgment, based on the experience of its members. Salaries are set at a level to attract, retain and motivate superior executives. The Committee determines annual salary adjustments based on Universal Stainless' performance, the individual executive's contribution to that performance, prevailing industry norms and the executive's knowledge and experience. Other than Messrs. McAninch, Ubinger, and McGrath, no officer of Universal Stainless received an annual base compensation in excess of \$100,000 for the year ended December 31, 2003.

Annual Incentive Awards. The executive officers are eligible to receive an annual bonus that is intended to provide additional compensation for significant and outstanding achievement during the past year. Messrs. McAninch, McGrath and Ubinger may be eligible for a performance-based annual bonus, in each case up to a maximum amount that equals the executive's base annual salary.

Long-term Incentive Awards. Long-term incentive compensation is provided by the grant of options to purchase shares of Common Stock of Universal Stainless under the Stock Incentive Plan. In considering the awards, the Committee takes into account such factors as prevailing norms for the ratio of options outstanding to total shares outstanding, the effect on maximizing long-term stockholder value, and vesting and expiration dates of each executive's outstanding options.

Other

Section 162(m) of the Internal Revenue Code of 1986, as amended ("the Code") limits the annual deduction that a publicly-held corporation may take for certain types of compensation paid or accrued with respect to certain executives to \$1 million per year per executive. The Compensation Committee has determined that it is unlikely that it would require Universal Stainless to pay any amounts in 2004 that would result in the loss of a federal income tax deduction under Section 162(m) of the Code, and accordingly, has not recommended that any special actions be taken or plans or programs be revised at this time in light of such tax law provision.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors (“the Committee”) is composed of three members, each of whom have been determined by the Board of Directors to be independent, as defined under the applicable rules of the National Association of Securities Dealers listing standards as currently in effect. The Board of Directors has further determined that Mr. George Keane, a member of the Committee is an “audit committee financial expert” as such term is defined in Item 401(h) of Regulation S-K promulgated by the Securities and Exchange Commission. The Committee operates under a written charter adopted by the Board of Directors which is attached to the Company’s Proxy Statement as Exhibit A. The Committee reviews and reassesses the Charter annually and recommends any changes to the Board for approval.

The Committee appoints the Company’s independent accountants. The Committee assists the Board in overseeing and monitoring the integrity of the Company’s financial reporting process, its compliance with legal and regulatory requirements and the quality of its internal control and external audit processes.

The Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Committee also has received the written disclosures and the letter from SD, required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee has discussed with that firm its independence from the Company.

Based on the foregoing review and discussions and relying thereon, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company’s Annual Report on Form 10-K for the year ended December 31, 2003 filed with the Securities and Exchange Commission (the “SEC”).

This report is not to be deemed “solicitation material” or filed with the SEC or subject to Regulation 14A of the Securities Exchange Act of 1934, as amended, except to the extent specifically requested by the Company or incorporated by reference in documents otherwise filed.

INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee appointed SD as independent public accountants to audit the consolidated financial statements of the Company for the year ended December 31, 2003. Representatives of SD are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

The following table presents fees for professional audit services rendered by PwC (through September 5, 2003) and SD (from September 5, 2003), for the audit of the Company's annual financial statements for the years ended December 31, 2003 and December 31, 2002, and fees for other services rendered by PwC during those periods (in thousands):

	<u>2003</u>	<u>2002</u>
Audit fees	\$ 119,400	\$ 115,000
Audit-related fees	13,100	11,767
Tax fees	21,700	41,233
All other fees	0	0
Total	\$ 154,200	\$ 168,000

Audit Fees

Annual audit fees relate to services rendered in connection with the audit of the Company's consolidated financial statements, the quarterly reviews of financial statements included in the Company's Forms 10-Q and consent in connection with filing of Form S-8 pertaining to the stock option plan.

Audit-Related Fees

Audit-related services include fees for benefit plan audits and consultation on accounting standards or transactions.

Tax Fees

Tax services include fees for tax compliance, tax advice, tax planning and tax preparation of Forms 5500 and expatriate returns.

All Other Fees

All other services include fees for internal control documentation assistance and construction advisory fees for internal audit procedures. The Company did not engage its independent accountants for any other services.

The Audit Committee considered whether the provision of these services was compatible with maintaining the auditor's independence, and has determined such services for fiscal 2003 and 2002 were compatible with maintaining the auditor's independence. All services described above were pre-approved by the Audit Committee pursuant to Rule 2-01(c)(7)(i)(C) of Regulation S-X promulgated by the SEC.

Policy on Audit and Compliance Committee Pre-Approval of Audit and Permissible Non-Audit Services of the Independent Auditor

The Audit Committee is responsible for appointing, setting compensation and overseeing the work of the independent auditor. The Audit Committee has established a policy regarding pre-approval of all audit and non-audit services provided by the independent auditor. On an ongoing basis, management communicates specific projects and categories of service for which the advance approval of the Audit Committee is requested. The Audit Committee reviews these requests and advises management if the Audit Committee approves the engagement of the independent auditor. On a periodic basis, management reports to the Audit Committee regarding the actual spending for such projects and services compared to the approved amounts.

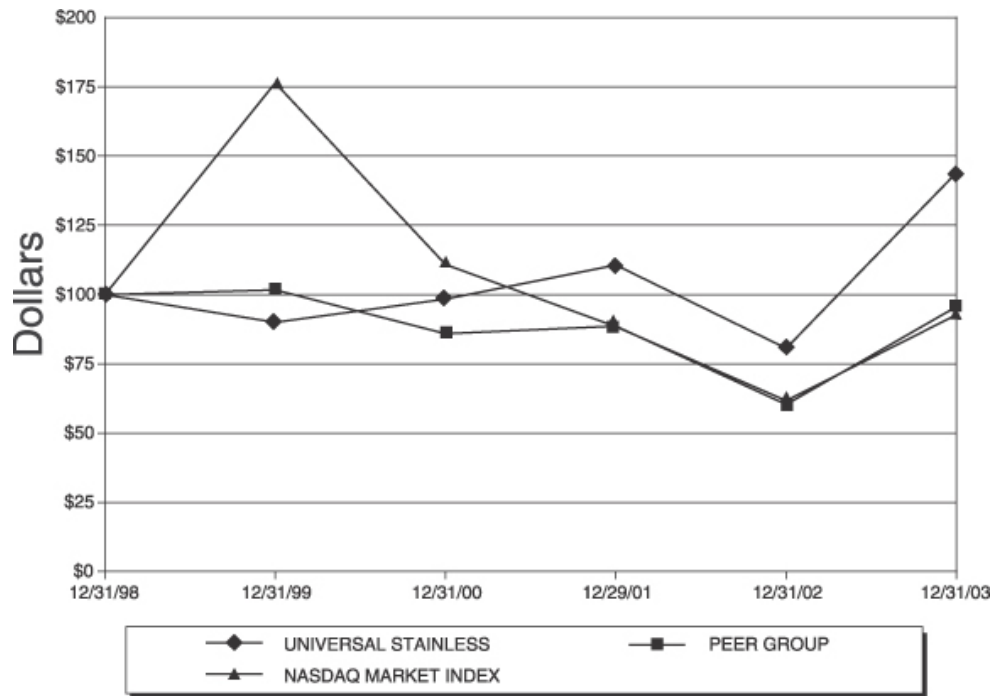

PERFORMANCE MEASUREMENT COMPARISON*

Rules and regulations of the Securities and Exchange Commission require the presentation of a line graph comparing from December 31, 1998 through December 31, 2003 the yearly percentage change in Universal Stainless' cumulative stockholder return to (i) the cumulative total return of a broad market equity index and (ii) the cumulative return of either a published industry index or a self-constructed group of peer issuers that Universal Stainless believes is relevant to a comparative understanding of its performance.

The peer group selected by Universal Stainless includes the following companies: Allegheny Technologies Incorporated, Carpenter Technology Corp. and The Timken Company (collectively, the "Peer Group").

The Peer Group consists of a number of publicly-traded companies that have some similarity to Universal Stainless. In particular, the Peer Group companies are all involved in the distribution and/or manufacture of specialty metal products in the United States, and each Peer Group company has a division or unit that competes with Universal Stainless. The operating results of members of the Peer Group are generally readily available to the public. The graph assumes that \$100.00 was invested on December 31, 1998 and that all dividends were reinvested.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires certain officers of Universal Stainless and its Directors, and persons who beneficially own more than 10% of any registered class of Universal Stainless' equity securities, to file reports of ownership in such securities and changes in ownership with the SEC, the NASDAQ National Stock Market and Universal Stainless.

Based solely upon Universal Stainless' review of the reports and representations provided to it by persons required to file reports under Section 16(a), Universal Stainless believes that during 2003, all of the Section 16(a) filing requirements applicable to Universal Stainless' reporting officers, directors and greater than 10% beneficial owners were properly and timely satisfied except for three Form 4 filings for Mr. Keane relating to three separate stock purchases.

STOCKHOLDER PROPOSALS

Under Rule 14a-8 of the Securities and Exchange Commission, proposals of stockholders intended to be presented at the 2005 Annual Meeting of Stockholders must be received no later than December 15, 2004 for inclusion in the proxy statement and proxy card for that meeting. If a stockholder intends to present a proposal at the 2005 Annual Meeting, other than through inclusion of such proposal in Universal Stainless' proxy materials for that meeting, the stockholder must deliver to the Secretary of Universal Stainless at its principal executive office written notice of such proposal no later than February 28, 2005. If Universal Stainless does not receive notice by the required date and such proposal is presented at the 2005 Annual Meeting, management proxies may use their discretionary voting authority with respect to such proposal.

OTHER MATTERS

The Board of Directors and management know of no matters to be presented at the Annual Meeting other than those set forth in this Proxy Statement. However, if any other business is properly brought before the meeting or any adjournment thereof, the proxy holders will vote in regard thereto in accordance with their best judgment, insofar as such proxies are not limited to the contrary.
